**9:00 am - 12:00 pm**

### **Bar Anticipation**

703 16th Avenue  
Belmar, NJ 07719

Walk/Run with us as we support the mission of HDSA to improve the lives of everyone with Huntington's Disease and help us be one step closer to the cure for HD! A free buffet-style lunch after the walk/run is included with your registration fee.

### **What is Huntington's Disease?**

Huntington's disease is a fatal genetic disorder that causes the progressive breakdown of nerve cells in the brain. Today, there are approximately 30,000 symptomatic Americans and more than 200,000 at-risk of inheriting the disease. **The symptoms of Huntington's disease are described as having ALS, Parkinson's and Alzheimer's – simultaneously.**
